The students of the Silid Aralan sa Embahada Termino III, which is organized by the Philippine Embassy and the Philippine Education Society (PES), commemorated National Literature Month (NLM), on 26 April 2025 (Saturday), at the Embassy of the Philippines.

Filipino Mother Tongue Teacher, Ms. Rofilleta Refuerzo-Larsson gave a lecture on the history of the Filipino language before the Spaniards colonized the Philippines.

Teacher Jella Miah Galabo also read a book entitled: “*Si Diwayen, Noong Bago Dumating ang mga Espanyol*”, with the hope that the lessons and values in the story will help mold the Filipino-Swedish students with a sense of patriotism and a love for Philippine history.

The National Literature Month (NLM) is celebrated every April, in accordance with Philippine Presidential Proclamation No. 968, s. 2015, with the objective of conserving, promoting, and popularizing the Nation’s historical and cultural heritage and resources, as well as artistic creations. END
